

Limited Lifetime Warranty Platinum Plus Collision Products

LKQ Corporation, and its subsidiaries, including Keystone Automotive Industries, Inc. (“LKQ”), distributes a broad range of new, recycled, remanufactured and reconditioned automotive and truck replacement products through its company owned and operated locations. Platinum Plus is LKQ’s own brand of collision repair products and is the industry’s leading premium brand of collision repair products. Platinum Plus suppliers meet all the specifications of the Keystone Platinum Plus Quality Assurance Program, which is a specific set of requirements that LKQ has established for suppliers which are similar to what the OEM’s require of their suppliers.

WHAT IS COVERED

Platinum Plus products from LKQ Corporation are protected by an industry-leading Limited Lifetime Warranty on replacement wheels*, plastic and steel bumper covers, fenders, hoods, grilles and other automotive and truck replacement parts. LKQ warrants its parts to be free of defects in material and workmanship for as long as the original purchaser owns the vehicle on which the part is installed. The Limited Lifetime warranty includes perforation (metal rust-through) due to corrosion in normal use. In the event of a failure, LKQ or its subsidiaries will replace, repair or refund the purchase price at LKQ’s option. To make a claim, you must provide proof of purchase to your place of purchase, or the business which installed the part, and a new part will be provided without charge. Reimbursement of installation labor, if incurred as a result of the failure of the Platinum Plus part, must be pre-approved by LKQ.

If you are unable to obtain satisfactory service, please contact the LKQ Warranty Department, 655 Grassmere Park Drive, Nashville, TN 37211. This warranty applies to vehicles registered and normally operated in the United States and Canada.

WHAT IS NOT COVERED

This warranty does not include any costs involved in installation (without pre-approval from LKQ) nor does it cover failure or perforation resulting from accident, damage, abuse or improper installation. This warranty does not apply to commercial vehicles. *Chrome plated aluminum wheels have a one year warranty.

LKQ CORPORATION SHALL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OF ITS PARTS

Some states do not allow exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights. You may also have other rights which may vary from state to state.
